Subject: Product Termination Notification for Product MLX72013

Dear Sir or Madam,

We regret having to inform you that Melexis intends to stop production of above-mentioned product.

To prepare a ramp-down scenario, Melexis will still accept orders of **MLX72013KDC-AAA-000** till 31-Dec-2018. By then we expect a final all-time buy order for delivery until 31-Jul-2019. Hence, we are providing you an 18 months transition period. A potential replacement of MLX72013 can be TH72011.

This order will be non-cancelable and non-returnable. The current unit price, payment terms and shipment terms remain applicable.

The devices received from Melexis may be stored for a period up to one year in their unopened original packing at room temperature without the use of additional special precautions according to JEDEC J-STD-033.

For logistical follow-up and assistance with your orders, please contact your main contact at Melexis, Enas Kandil (emh@melexis.com). In case of technical questions, please contact the undersigned.

Sincerely,

Andreas Laute
