End of Life (EOL) Notification

Dear Customer,

This is to inform you that ams AG will discontinue production of the following product:

ams Part Name	ams Code	ams Part Description
300390004	TSL1401CL	TSL1401CL LA8 LF T&R

Reason for EOL: EPI wafer is EOL by our sub-contractor

We will of course continue to support existing orders and would like to give you the opportunity to place your final lifetime buy order(s) no later than May 15, 2020.

Last shipment will be completed by the end of December 2023.

For future designs, please consider the production-released TSL1401CCS as a replacement device. For more information regarding this device, please contact your local ams field sales representative, distributor or at <https://www.ams.com/products>

We apologize for any inconvenience this may cause and hope that one of our other devices will fit into your application. Our application team will be pleased to support you in evaluating available options.

Kind regards

Reinhard Rogy
Director Operations
Division Advanced Opto Sensors
