

Product termination NFND (Not for new design)

To All customers:

We would like to take this opportunity to extend our appreciation for the business relationship between our companies and your continuous support of Nichicon.

We are notifying you the Nichicon series listed below are going to be terminated in the future.

They are not recommended for new designs and will need to be phased out of existing designs.

These product lines will be initially be removed from the 2023 catalog. Their specifications will only be available on our website.

The Last time buy (LTB) date for these products has not been determined at this time.

EOL notices will be sent with LTB and recommended replacement part numbers when the final production dates have been determined.

Recommended replacement series are below. Additional recommended replacements may be added in the future.

Please contact us if you have any questions regarding this notice.

Sincerely,

Mark Gebbia,

Sales Application Engineering Manager – Americas
